About the Firm

01

K-CASE LAWYER is a law firm based in Jakarta, a house of millennial and high-achieving lawyers with the global professional standard. Our firm was established in 2016 and is endeavored to be the fastest-growing boutique firm with international visibility. The founder used to work at some prominent law firms in Indonesia and other countries. Since its establishment, **K-CASE LAWYER** provides both litigation and corporate legal services.

We bring a rich understanding of Indonesia's unique business and legal culture to help our clients. We understand that sometimes legal requirements may appear to complicate things when they are not as they appear to be. Our job is to thoroughly go through the complexity and present a simple solution to our clients' legal needs. We understand our client's needs, and we know how to fulfill them earnestly and efficiently.

Currently, **K-CASE LAWYER** has international co-counsels located in Japan, Malaysia, Thailand, China, and Australia. Our global professional networks help our clients grow their business; simultaneously, our knowledge in commercial law plays a significant role in generating business alternatives for their respective expansion. We continue to look to the future to innovate through our partnerships around the world.

Our Works and Clients

Endeavored Legal Partner for Your Business

Ranging from multinational corporations to private companies, governmental bodies, foundations, associations, and individuals; our clients participate in a broad spectrum of activity in both corporate needs and litigation assistances.

Our founder used to represent PT Wings Surya (**Wings Group**) in addressing the labor strike initiated by workers demanding their rights. A notable case was connected to an industrial relations dispute at Depo Atambua PT Wings Surya, where approximately two hundred workers conducted a demonstration to assert their rights. The issues were ultimately resolved amicably.

Our lawyer is one of the receivers whose job is to manage and procure the bankrupt assets of PT Wijaya Indonesia Makmur Bicycle Industries, whose brand is familiarly known as **Wim Cycle**. The proceeds from these assets will be distributed equally among the creditors.

If you are an ambitious entrepreneur aiming for great success in business, it is important that you have knowledgeable friends having the same drive as you, who understand your dream, and speak the same language you do.

President Jokowi admires Toko Kopi Tuku as the pioneer of Indonesian iced coffee. Built by Andanu Prasetyo, **Toko Kopi Tuku** is a successful business that supports the archipelago's local coffee. K-CASE Lawyer has been assisting Toko Kopi Tuku since it was a small-medium enterprise in 2017 until it became a group company with several subsidiaries today.

Hartman Harris and Wesley Man Kit Yiu are Forbes 30 under 30 honorees in 2020. The two are the founders of **EVOS Esports**, a championship-caliber organization in Southeast Asia. Besides international visibility, K-CASE Lawyer has influential connections to the Indonesian esports policymakers. Such values benefit EVOS Esports in expanding the business globally and predicting the future legal trend of the Indonesian future esports.

The twins, Valerie Krasnadewi and Veronika Krasnasari, are international fashion models from the renowned show **Asia's Next Top Model** airing in Star World and Fox Live channel. Their international career as models has landed them as public figures featured in global advertisements and shows. Their professional job requires strong comprehensive protection from an entertainment law perspective.

Riri Muktamar, the magic behind **Tulus Company** Management, who also acts as the commissioner of Lookats Indonesia, found the vital need of legal advisory in supervising the company and serving as commissioner. While investing his energy into young people, Riri Muktamar believes that managing a company as a commissioner should be done safely and professionally according to the Indonesian legal order.

Our founder at K-CASE Lawyer assisted Bullseye Specs Pty Ltd, the exclusive distributor of **Red Bull** products in New Zealand, Australia, and Indonesia, entering their eyewear product to the Indonesian market. We advised the company in choosing suitable partners and provided the most efficient legal framework in bringing the business to Indonesia.

K-CASE Lawyer represented NanoGrid Ltd in seeking the justice to get their intellectual property back. NanoGrid Ltd is a multinational company based in Hong Kong. The product traded by NanoGrid Limited is a smart home lamp with the trademark named **Nanoleaf**. Such trademark has been registered in a number of countries such as Asian region, the U.S and Europe.

Founded by Lizzie Parra in 2016, **BLP Beauty** is a notable business in the beauty industry. BLP Beauty campaigns the value of "self love." As a high-profile brand winning numerous awards in the beauty industry, recently the business received an award at Beauty Fest Asia 2020 as the Best Lip Color Product, leaving some notable international brands such as Dior and WCKD behind.

Knowledgeable and Community Oriented Lawyers

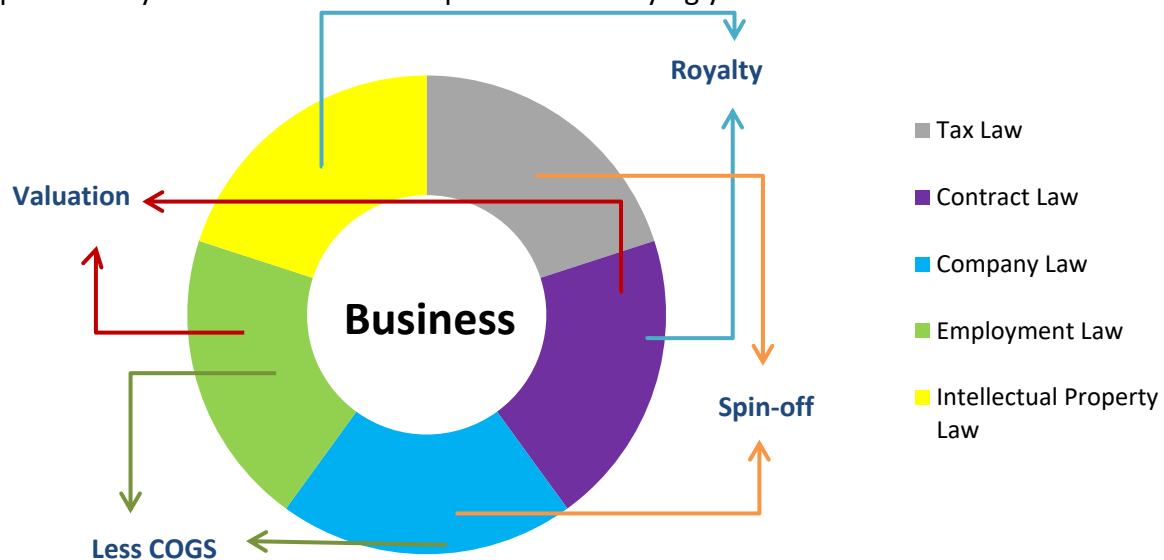

As legal practitioners, we deeply acknowledge our societal responsibility and are committed to upholding it with integrity. Demonstrating our commitment, we willingly extend our legal services on a pro bono basis to underprivileged individuals. Pro bono work is not just a professional duty but a moral obligation ingrained in Law No. 18 of the year 2003 on Advocates, wherein lawyers are mandated to uplift people's hope by providing free legal assistance.

Our pro bono cases primarily involve litigation, covering a diverse range of individuals—from online drivers to under-age children. Each case, while unique, underscores the heartbreaking challenges faced by those in need. We recognize the curiosity surrounding these cases, yet we believe that the beauty of our actions lies in their untold stories. In this noble service, we ensure the same level of excellence and commitment as in all our endeavors.

Providing the best quality legal assistance to those who cannot afford it is not just a reflection of our professional standards but an embodiment of our dedication to making a positive impact within our community.

Securing and accelerating businesses

Navigating the intricate landscape of business regulations requires a comprehensive understanding of their interconnected nature. Our corporate lawyers excel at maintaining a holistic perspective, providing a helicopter view to safeguard your company from the intricate web of regulations. Beyond compliance, we leverage our expertise to strategically utilize legal intersections, enhancing revenue streams for our clients. Investing in a team of exceptional corporate lawyers is an essential component of fortifying your business.

In addition to securing a business on a local level, we recognize the importance of global expansion. Building connections in the business world is a valuable asset, and we believe that engaging with global players is best achieved through active participation in business chambers across multiple countries, namely:

1. Malaysia China Chamber of Commerce
2. Yunnan Overseas Chinese Association
3. Japan External Trade Organization (JeTro), and
4. Australia Indonesia Business Council (AIBC).
